

# Teaching Excellence Program

## TEP Information Session - Academy Geelong

**Tuesday 5 September 2023**

The Teaching Excellence Program (TEP) is Australia's first advanced professional learning program of its kind in Australia. It is a year-long program designed to advance the professional knowledge and practice of teachers from Victorian government, Catholic and Independent schools.

You are invited to join us for afternoon tea and an information session at our Academy Centre in Geelong. Find out more about the TEP, meet one of our Master Teachers and hear from our current TEP teachers about their experience.

If you are a highly-skilled teacher, please consider applying for TEP, and if you know any highly-skilled teachers, please share this exciting opportunity with them.
