Privacy Statement – Skilling the Bay is a joint partnership between the Victorian Government, The Gordon and Deakin University. Geelong Manufacturing Council (GMC) aims to provide students in Years 9 and 10 with an opportunity to participate in the Geelong Future Leaders of Industry (GFLOI) program. Skilling the Bay and GMC are working to promote advanced manufacturing/engineering/science career opportunities for young people in the Geelong region.

For administration purposes we need to collect your name, address, phone number(s), gender, date of birth, emergency contact details and school so that we know who you are and how to contact you. Information supplied in this Application Form will be entered into a computer database managed by GMC. The information will be made available to Skilling the Bay. The information will not be provided in identifiable form to any other person or organisation without the consent of the individual student or guardian, unless required by law or other regulation to do so. It is important that this information is accurate and up to date. If you think that any information requires correction or updating following submission, please contact Leanne Nelson at GMC on 0419 319 214.

Please respond to the following six questions (include another page if you require more space). We have provided example answers to assist you with this application. Please <u>do not</u> use the examples in your answers.

1.	Why have you applied for the Geelong Future Leaders of Industry program?	E.g. "I'm applying for the GFLOI program because I am interested in the advanced manufacturing/ engineering/science industry. I'm considering studying mechanical engineering when I leave school. Being a part of this program would help me understand the industry better."
2.	What are your interests and hobbies?	
		E.g. "I love to pull things apart in my backyard at home. I've attempted to fix things like household appliances." "I am interested in gaming and coding." "I like making things and painting."
2	Have you ever taken a loadership releas Please evalain?	
- - - -	Have you ever taken a leadership role? Please explain?	E.g. "I am my house captain at school which means that I have to represent my house and communicate effectively on their behalf. I think this displays leadership qualities. In group activities at school I am usually the one who will get the group to work

together effectively".

4. What do you know about the manufacturing / engineering / trades industry?	E.g. "I know that production of all things involves lots of jobs in research, design, engineering, construction and maintenance." "There are many different trades in manufacturing." "My next door neighbour is an engineer at the Ford Proving Ground in Lara designing batteries for electric cars."
5. Can you name at least two manufacturing companies in Geelong and explain v	vhat they produce?
	E.g. "Viva Energy is a large oil refinery in Geelong. I searched online and found that they process up to 120,000 barrels of oil per day to make petrol, diesel, LP gas and jet fuel." "Thornton Engineering is a Geelong steel fabricator. They recently built the massive new port to accept the Spirit of Tasmania."
5. GFLOI is a series of events, and we expect successful participants to be available	to participate in all events.
So, please provide an example of how you have shown commitment to a program	
ime (e.g. sport/school activity/part time work).	E.g. "I've shown commitment in my part time work position. I've worked at a supermarket for the last 6 months. I've been required to work on Saturdays doing the very early morning shift. I've always arrived just before my shift starts and I come to work with an attitude of wishing to do my job well."
	Geelong

Manufacturing Council

Parent /Guardian

I support my child's application to be part of the Geelong Future Leaders of Industry (GFLOI) program. I am aware that the events will be away from their Home School and fully supervised.
Name of Parent / Guardian:
Mobile Phone Number:
Email:
Signature of Parent / Guardian:
In the event of an emergency I agree to the designated supervising teacher seeking medical attention for my child. Yes No
I give GMC permission to photograph and / or interview my child for use in a range of print, electronic and other media for communication and promotion purposes.
Student
If I am successful in gaining a place in the GFLOI program, I will participate to the best of my ability in <u>all</u> activities provided.
Name of Student:
Signature of Student:
School Endorsement – Careers Teacher
I support the application ofto be part of the GFLOI program.
Name of Careers Teacher:
Email:
Signature of Careers or Support teacher:

Please note that each supporting school will be required to provide a supervising teacher for a minimum of 1 x day long program event (Organised by GMC).

Schools/Students - Please return completed application form to GMC by Thursday March 28th
