

# Future Solutions

## INDUSTRY IMMERSION

Friday  
9th May 2025  
11.30 am – 2.30 pm

Melbourne Convention Centre  
1 Convention Centre Pl,  
South Wharf VIC 3006

AUSTRALIAN MANUFACTURING WEEK

**AMW2025**  
MELBOURNE

**AMTIL**

**A unique opportunity for students to experience a corporate, trade show environment, exploring technologies, processes and innovation in the Advanced Manufacturing and Industry 4.0 sectors.**

Students will:

- Attend a start of day briefing with industry professionals, which provides technologies, skills and pathways context
- Visit key industry stands
- Hear from key employers and training providers
- Browse a bespoke Skills and Training Careers Fair, featuring representatives from TAFEs, Universities and other pathway options
- Enjoy free time on the Exhibition floor

Important Information:

- Places are strictly limited, with 55 student places allocated per Tech School
- Suitable for Years 9-12 students interested in Engineering, Industry 4.0, Robotics and Mechatronics, highly recommended for students studying VET in Engineering Studies or a related Headstart Apprenticeship
- Excellent opportunity for students to build early employer networks
- We recommend schools use PTV to make their own way to the location
- Tech Schools will manage their catchment area schools registration process
